Certifying with SafeSport for the First Time

STEP 1

Go to www.SafeSport.org and register to create a new account.

You will also need the passcode provided in the confirmation email from your MYSA Background check. This passcode is also visible within the Affinity system (<https://mn-ussf.sportsaffinity.com/reg/>) after you have submitted your background check (passcode will be visible instead of the red boxes shown below):

Certificates
If you have available certificates, click on the image to upload or view a file.

Copy & paste the URLs below into your browser to access the SafeSport and Heads Up trainings. Once complete, return here to upload your certificates. You must have your certificates uploaded before your registrar will be able to activate your team and print passes.

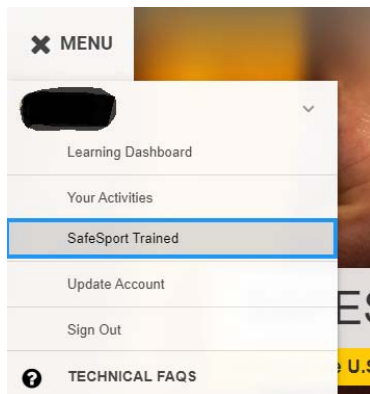

Access code: 

Sign in to that account with your log-in information and provide the MYSA passcode (also available from the Affinity Background Check page when you are logged into that page) to access the training.

STEP 2

Click on the upper left box titled “Menu” and then click on “SafeSport Trained”

STEP 3

Complete the SafeSport course (three activities).

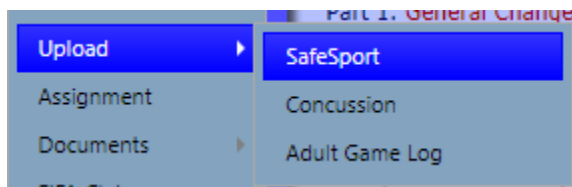

STEP 4

Upon completion, download your Certificate.

STEP 5

Go to the SafeSport Certificate Upload page on the MNSRC website (https://www.minnesotasrc.com/Referee_Pages/Upload/SafeSport.php) and follow the instructions for uploading your certificate.

If the certificate is valid and properly dated, it will be approved within 48 hours.
